Homethrive

Loss Support from Homethrive

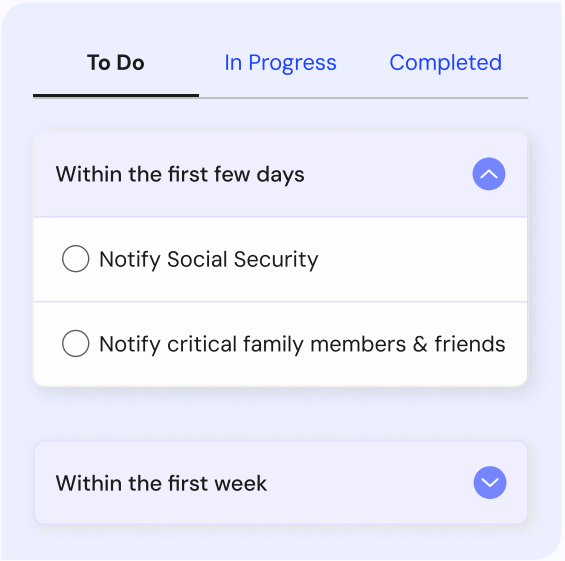

Get compassionate, expert support after the loss of a loved one. We've made it simpler to complete necessary tasks—so you can spend guessing the right next step—and more time taking care of yourself.

Let us guide you through the next steps

Our **Loss Navigation Guide** takes the guesswork out of what comes next by providing a recommended timeline of tasks for the coming months.

- Benefits navigation
- Estate administration
- Finances and taxes
- Practical arrangements
- Grief and community support

A dedicated **Loss Specialist** is here to answer your questions and provide emotional support, while you work at your own pace.

Your dedicated Loss Specialist can provide

- **Personalized guidance** and answers to your questions
- **Emotional support.** Listening to your concerns and helping to find community and grief resources
- **Connections to trusted legal advisors** and financial experts

Your access to Loss Support is included in your Homethrive benefit.
Create a personalized Loss Navigation Guide in a few minutes.
